

Accent on Sunflowers

by Jackie Robinson
of Animas Quilts

free pattern **SNAPPY SUNFLOWERS**
BY JACKIE ROBINSON (55" X 70")

So dramatic! Of all the flowers in the universe, the sunflower definitely makes one big statement. It's not just its size (enormous), but also its brilliant color. Jackie's rendition captures all of this in a beautiful panel that can be used "as-is," or cut apart to make multiple projects. The panel is accompanied by an all-over sunflower print (gorgeous!), a sunflower stripe and an entire collection of coordinating textures that range in color from ecru to deep indigo. You'll find yourself reaching for these textures over and over again—they are irresistibly useful and add a lovely touch to any project.
