I am grateful
for a new day
of learning
with my
students.

I am
becoming
a better
teacher
everyday.

The
boundaries
I set are
important to my
mental health
and it is okay
to have them.

I am
important
and
I matter.

I am
appreciated
and
valued.

The work
I am
doing
matters.

I make
a difference
in my
students'
lives.

I have a
powerful gift
that I am
sharing
everyday.

I am
always
doing
the best
that I can.

I am
in the
right place.
I am
meant to be
a teacher.

Everyday
I am
making a
positive
impact on
my students'
lives.

I treat
myself
and my
students
with kindness
and respect.

The caring
I show
today will
change
a life.

I see
each student
as an
individual for
who they are,
what they can do,
and what
they can be.

I am
a valuable
asset to
my school,
my district,
and my
community.

I am
grateful
to have a
challenging
and
fulfilling
job.

I am
a competent
and capable
teacher.
I am
confident
in my
abilities.

I make my
classroom great.
My students
make my
classroom great.
Together we
make magic
happen.

Each
challenge
I encounter
I am able
to overcome
successfully.

Today I
will make
one child
smile.

My classroom
is a
positive space
where students
feel welcomed
and
supported.

I am
amazing
and I am
prepared
to succeed.

Today I
will make
a connection
with
one child.

I look
for the good
in even
the most
challenging
children and
support them.
