We are proud to have Pets Best as a part of our Pinnacle Partner Program. You trust us to ensure your workforce has the benefits they need, when they need them. We trust our Pinnacle Partners to help us deliver on that promise. These partnerships, grounded in empathetic experiences and state-of-the-art innovation, guarantee quality products and services with secure and seamless integrations.

## Solutions for You

Seven out of ten pet parents consider their pets as family members. Adding pet insurance to your benefit program is a great way to show that you value your employees' family members and financial wellbeing. Businessolver's integration with Pets Best increases employee awareness of the benefit and provides a streamlined enrollment process.

## Our Partnership

Businessolver's integration with Pets Best is easy to add to a benefit program - as a current Benefitsolver client, just let your broker or account manager know!

Your current Businessolver team will add the benefit to the platform, making it available for employees to elect along with their important health and wealth benefits or any time throughout the year. Payroll deductions are also added into current payroll process automatically.

Adding Pets Best to your benefit program on Benefitsolver offers a higher discount on premium with payroll deductions and sees higher participation results.

Waiting periods, annual deductible, co-insurance, benefit limits, and exclusions may apply. For all terms visit [www.petsbest.com/policy](http://www.petsbest.com/policy). Products, schedules, discounts, and rates may vary and are subject to change. More information is available at checkout.
