

Security and protection you deserve.

Businessolver is proud to have Aura as a part of our Pinnacle Partner Program. You trust us to ensure your workforce has the benefits they need, when they need them. We trust our Pinnacle Partners to help us deliver on that promise. These relationships, grounded in empathetic experiences and state-of-the-art innovation, offer quality products and services with secure and seamless integrations.

̄AURA

Solutions for You

Employees are doing more online and are more connected than ever, putting them and their loved ones at significant risk. Aura improves employees' digital health by providing protection for some of the things that matter to them the most: their money, assets, privacy, and online reputation.

Our Relationship

Businessolver's relationship with Aura offers employers the ability to provide their employees with online security and in turn, peace of mind. And together with Aura's all-in-one digital security solution, we can help employees and their families stay safe online.

- ▶ **Commitment:** Committed to delivering superior products and services with comprehensive technology solutions, exceptional customer service and compassionate administration.
- ▶ **Innovation:** Providing a modern, integrated experience using technology to enroll and manage benefits for a seamless front-to-back process.
- ▶ **Simplicity:** A more simplified implementation process and established connections are combined with products that are straight-forward to enroll and administer which creates a best-in-class experience for employer and employee alike.

Who is Aura

Aura is a technology company dedicated to delivering comprehensive digital security to consumers. They provide identity theft and fraud protection for employee's finances, personal information, and devices. Their solution is easy to understand, simple to set up, and all in one place. Aura believes employees should be able to live with the peace of mind that their online personal and financial information is secure. Trusted by millions, Aura's simple, all-in-one solution is making the internet safer for everyone.
