

Castlight + Businessolver Pinnacle Partnership

We are proud to have Castlight as a part of our Pinnacle Partner Program. You trust us to offer your workforce the benefits they need, when they need them. We trust our Pinnacle Partners to help us take those benefits to the next level, ensuring they activate on those benefits throughout the year. These relationships, grounded in empathetic experiences and state-of-the-art innovation, offer quality products and services with secure and seamless integrations.

Creating a Best-In-Class Navigation Experience

Health care is not one size fits all and it is anything but easy. But with the right tools and partners, we can create an ecosystem of support that helps employees get enrolled in the right benefits that then lead them to the right care.

Better Together

Together, Castlight and Businessolver help employees get off the benefits sidelines. With our partnership, we've created a place where employees can get in the game—with one place to select, activate and manage their benefits and programs. Helping people access the right benefits at the right time translates into cost savings, improved health outcomes, and consumer trust and loyalty.

- ▶ **Integrated:** We create a seamless experience from selection of benefits to ownership of their health. With one click, they can access all the tools and navigation they need to be improve their total well-being.
- ▶ **Innovative:** Innovation is at the heart of what we do. When two partners come together to change the way employees interact with their health, you can trust that we will always be one step ahead.
- ▶ **Cost Effective:** When your employees are making better options for their health, its better for them and for you. This partnership ensures that your employees not only select the right-fit benefits, but then use those benefits to create real outcomes.

Who is Castlight?

Castlight helps customers deliver the most engaging benefits strategy for a healthier, happier, more productive workforce. Castlight's Navigation solution combines a mobile and web-based application with a team of clinician-led experts to help members better engage with high-quality providers and employer-sponsored programs. A digital platform provides members access to their health and wellbeing benefits, as well as navigation tools in one secure location. For those who need high-touch service, members can work 1-1 with Care Guides throughout their health journeys. Every experience is personalized, curated from a breadth of data including claims, health goals, biometrics, digital platform activity, and Care Guides interactions.
