The D&B Singapore Business Eminence Award honors industry achievers both locally and abroad for outstanding performance and business excellence. The primary focus of the award is on enterprise growth and profitability, with D&B applying its proprietary financial model with several parameters to measure business performance. Apart from assessing revenue and profit growth, D&B's metrics also track business excellence in key areas, such as corporate social responsibility and corporate governance, to select the top performing companies in Singapore.

**Lennard Yong, Tricor Group CEO**, said: "We are honored to receive this Business Eminence Award from D&B as part of their prestigious annual awards ceremony.
