## Why Is CloudAlly Backup a Must-Have for Your Business?

Box data loss is prevalent and the repercussions are devastating. Mitigate the cost and impact of a breach with seamless data recovery. Easily and accurately recover from data disasters with unlimited, automated, and secure backup.

Gartner and Forrester caution “No backup is plain dangerous”. Box itself recommends third-party backup. Build business resiliency by eliminating the risk of data loss and facilitating seamless business continuity. All while complying with regulations that mandate shared responsibility of data and assured recoverability.
