

SUCCESS STORY

1st Brokerage

1st Brokerage uses CloudAlly SharePoint backup solution to make data safe

Overview

1st Brokerage is an all-inclusive real estate brokerage company specializing in the leasing and sale of both residential and commercial properties throughout the Texas real estate markets. Our brokerage has a professional team of multilingual real estate associates ready to serve clients throughout Texas. Our highly trained and seasoned experts can assist you with any of your real estate needs.

1st Brokerage offers individualized services in all areas of the Real Estate industry.

Challenge

Courtney was looking for an easy and good SharePoint Solution to help her team to protect and share their documents.

"My favorite thing about the software is my team's ability to create a space where we can all go to communicate and share our documents."

Capterra Review - Courtney Farmer, Realtor at 1st Brokerage

Solution

"Sharepoint is great. I absolutely wish more people would use it at my office."

CloudAlly's backup solutions comprehensively protect SharePoint with automated backup and easy recovery from any point-in-time. All comprehensive SharePoint backup includes: Team Sites, Public Sites, Private Site Collections and OneDrive for Business sites.

Results

1st Brokerage has your SharePoint data comprehensively secure with cloud to cloud backup on Amazon AWS with CloudAlly.

Courtney Farmer

Capterra Review

Founded in 2011 as one of the world's first cloud-to-cloud backup services for G Suite Google Apps and Salesforce,

CloudAlly led the industry with the first commercially available Microsoft Office 365 cloud backup in 2014. ISO 27001 certified, GDPR and HIPAA compliant, CloudAlly adheres to industry standard best practices for information security management. CloudAlly is privately held and has customers and partners in over 40 countries.

Cloudally is a Zix Company
