PMACOMPANIES.COM

PMA Companies understands the unique challenges of durable goods manufacturers (DGM). In partnership with our brokers, we provide programs that help manufacturers maximize their financial flexibility to compete in today's environment. Through our relationship-driven approach, we work with you to optimize your clients' risk management programs.

Solutions

- Insurance and TPA services for Workers' Compensation, Commercial Auto, General Liability and Commercial Property, including Equipment Breakdown
- Guaranteed-cost and loss-sensitive programs

We collaborate with you to deliver industry-focused expertise and solutions.

PMA opened in 1915 to meet the workers' compensation needs of manufacturers and continues to bring sophisticated risk management solutions to these clients.

- PMA Manufacturing Risk Control Consultants develop analytics-driven service plans to identify, diagnose, mitigate and monitor exposures
- Industry-focused Business Analytics, including research studies, peer-to-peer benchmarking, and customized reports
- Patient-centric claims and managed care services
- Customized services to address the #1 cause of injuries for DGMs, soft tissue strains
