

If the email used to register is tied to a personal or professional Microsoft account, you can sign in with that email and password.

If you don't remember your password or you don't have a Microsoft account, follow the instructions on page 2.

The first time in, you will be prompted to accept PMA's Privacy Policy. Our full privacy policy can be found at [www.pmacompanies.com/privacy-policy](http://www.pmacompanies.com/privacy-policy) or accessed via the link provided on the Review permissions screen.

## Forgot Microsoft account password?

Use the link on the sign in screen and follow the prompts to identify yourself and reset your password.

## No Microsoft account?

Use the email associated with your PMA Websource registration and follow the prompts to enter the **temporary** verification code sent via email. This step will be required each time you sign in. Below is an example of the security email you will receive from: [account-security-noreply@accountprotection.microsoft.com](mailto:account-security-noreply@accountprotection.microsoft.com)
