# Free door-to-door service

## is still active in your area

Dear Resident,

We would appreciate your participation in this program because we know that recycling is not only important to you, but also to ensure a sustainable City for the future.

WastePlan, the collectors and sorters of your recyclable materials, is successfully servicing other residential areas in Cape Town. We would like to assure you of our commitment to servicing your area with the same passion and dedication that has cemented our reputation as a leader in the waste industry. Please follow the steps below that outline the recycling process.

STEP	Sort ( Please refer to the list of recyclables on the following page)		
1	<div></div> <div>Identify a range of recyclable materials from your normal waste and place these into your recycle bag.</div>	<div></div> <div>Please ensure that your cans and bottles are emptied and that your recyclables are as flat as possible.</div>	<div></div> <div>There is <b>no need to rinse your recyclables</b> except to keep unwanted pests away from your bag. In this case, please use grey water or dishwashing water.</div>
STEP	Place		
2	<div></div> <div><b>Black bin</b> Wet waste</div>	<div></div> <div><b>Recycle bag</b> Recyclables</div>	<div>Place your <b>recycle bag</b> outside your property on the sidewalk for our team to collect on the <b>same day</b> as your normal refuse collection.</div>
STEP	Make it a habit		
3	<div></div> <div>There is no cost involved to you as the resident.</div>	<div>All that is expected of you is that you become more waste conscious and do your bit to preserve our environment.</div>	<div><b>Please join us in this effort and Think Twice before you throw something away!</b></div>
STEP	Questions?		
<div></div>	<div><b>Enquiries may be directed to</b></div> <div><a href="http://www.wasteplan.co.za">www.wasteplan.co.za</a>   <a href="mailto:info@wasteplan.co.za">info@wasteplan.co.za</a>   National Call Centre 086 111 6699</div>

# Please sort it!

When recycling is not done right, it costs taxpayers extra. Help us cut out costs.

Paper	Glass	eWaste
<p>Flattened and folded cardboard, any paper, newspaper and magazines</p> 	<p>Rinsed bottles and jars</p> 	<p>All electronic waste</p> 
Plastics	Metal	What we don't recycle
