Area of Expertise

As a Property Accountant, I am responsible for providing detailed financial reporting for commercial real estate holdings managed by Colliers | South Carolina

I enjoy working with all kinds of clients to maximize their profits, and making sure their financials are balanced.

I strive to be reliable, attentive, dependable, hard-working and caring for our clients and for my colleagues and team. Clients know they can count to me because of my extensive experience and my excellent customer service.

Business and educational background

I graduated from Montana State University with a Bachelor of Arts degree in Business Administration. I started in the real estate industry working in finance for residential real estate. I have over 25 years of experience holding roles such as controller and executive administrative assistant, handling tasks such as accounting, property manager and loan collector. I have customer care and financial management skills across farming, residential mortgage, commercial real estate and commercial development sectors.

Community Involvement

In my spare time, I enjoy gardening, being outdoors and reading.
