### Area of Expertise

As a Senior Brokerage Associate with Colliers | South Carolina and a member of the land and commercial brokerage team, my primary focus is on the sale of land tracts for development, recreational use and timber production.

I work with various groups of clients, from investors to tract home builders, industrial users, developers and recreational users.

I pride myself on being someone who, once committed, sees tasks through to the end. Land sales can be notoriously complicated with many ups and downs, yet my clients know that I will advance their interests at every turn. It is this reliability that makes me indispensable to both sellers or purchasers. I take a keen interest in transitional land tracts that may be in the path of growth and are subject to an evolving higher and better use. The pursuit of off-market properties is an endeavor I have found continued success with during my career.

### Professional Accomplishments

- In 2024, I received the Colliers | South Carolina Top Producers Award
- In 2021, I obtained the Accredited Land Consultant (ALC) designation from the REALTORS® Land Institute, the only land-specific designation backed by the National Association of REALTORS® which requires a proven track record of transaction performance in land to qualify
- In 2020, I received the Colliers | South Carolina Rising Star Award

- I received the Central Carolinas REALTORS® Association Commercial Circle of Excellence Gold Award in 2024, Silver Award in 2023 and 2021, and Bronze Award in 2020

### Business and educational background

I am a graduate of Clemson University where I received a Bachelor of Science degree in Parks, Recreation and Tourism Management with a minor in Forest Resource Management.

Prior to joining Colliers I sourced and sold steel and exotic alloys.

### Community Involvement

I am a member of the Central Carolina REALTORS® Association, South Carolina REALTORS® Association, National Association of REALTORS® and REALTORS® Land Institute. I am on the Board of Directors for Congaree Land Trust, a Past President of the Columbia East Rotary Club and a past committee member of Columbia Ducks Unlimited.

I enjoy spending time hunting and fishing but am the happiest on a river somewhere in a canoe. I also love any minute I get to spend outdoors with my wife, daughters and dog.
