Area of Expertise

As a Vice President in the Greenville, SC office, I specialize in office leasing and sales as well as tenant representation. My primary responsibility is to represent local ownership entities, private equity groups and national REITS on their real estate portfolios in the Upstate (Greenville-Spartanburg). Working through acquisitions, repositioning, leasing and disposition, our team delivers comprehensive leasing strategies and innovative solutions to landlord clients. Utilizing a marketing background, I am able to think creatively and provide effective solutions for rebranding and repositioning assets in our portfolio, maximizing the potential of each property and positioning clients for success. Our innovative property marketing, financial analyses and thoughtful comprehensive leasing strategies are best in class.

My team is responsible for the leasing of over 1,500,000 square feet of office properties in the market.

Since 2015, my team has completed more than \$220,000,000 in transactional volume.
