AUTHORISATION

I understand that I will remain liable for all unit enrolment fees, as outlined on my Commonwealth Assistance Notice (CAN), if this form is not received by Collarts by the relevant trimester census date. Students studying less than a 75% study load are unlikely to receive Centrelink payments. For students to remain eligible for Centrelink, they must be enrolled in 75% of a full-time study load. This is equivalent to 18 credit points per trimester at Collarts. Please contact Centrelink before making any decisions about reducing your study load.
