### Important Information

The student tuition fees as published are subject to change given individual circumstances at enrolment \*

There will be additional costs when studying these courses. It is difficult to be precise about what these might be as each student will have different expectations and requirements. Additional costs can include things like pens and paper, art materials, material samples, USB drives, printing and Adobe software subscription.

\*\*If you are a Victorian Government subsidised student, you may be entitled to a concession on your tuition fee if you meet additional eligibility criteria.

If you are studying in a Diploma or above qualification, you are not eligible to have a concession applied to your tuition fees.

Under the Indigenous Completions Initiative, Aboriginal/Torres Strait Islander students pay only the concession tuition fee (20% of the tuition fee for the course) for government subsidised training at all qualification levels (including at Diploma and above).

These courses are offered by Australian Collage of the Arts RTO 0109. Phone: 1300 818 777 or Email: [vet.support@collarts.edu.au](mailto:vet.support@collarts.edu.au)
