Women Owned, B Certified, and Made in U.S.A.  
The curved lactation suite design is a TM/SM of Mamava, Inc. All rights reserved.

Mamava is the sole distributor of the Mamava Mini

Mamava's 6-8 week order turnaround makes complying with the Fair Labor Standards Act\* fast and easy.

All-in-one prefabricated lactation space eliminates need for construction, plumbing, hardwiring, or reallocating a room.

Proprietary Bluetooth-enabled SmartLock gives mothers autonomous access and provides you with usage data.

Simple installation on-site by your personnel or our licensed installers. Easy to maintain and relocate.

Customized interior and exterior panels available, or choose from stock graphic options.
