

Safeguarding commitment statement

Our safeguarding commitments

At Cambridge Spark we are committed to safeguarding and promoting the safety and welfare of children, young people and adults. We follow the guidance set out in the Care Act 2014 and are committed to ensuring that arrangements are in place for preventing, detecting and reporting all safeguarding matters.

Every member of staff working for Cambridge Spark has a responsibility to safeguard, and key members of staff also take a lead in this area. All staff are expected to uphold and promote the fundamental principles of British values, including democracy, the rule of law, individual liberty and mutual respect, and to respect the values of those with different faiths and beliefs.

In doing so, we endeavour to provide a safe and welcoming environment where all staff and learners are respected and valued.
