

MSite Workforce App

In order to help keep sites open and importantly ensure all workers can adhere to recommended Covid-19 guidelines and new ways of working, we are implementing the MSite Workforce App.

What's in it for me?

Contactless Site Entry

Fast, efficient, contactless entry to site. As simple as using your phone to buy lunch or board a flight.

Safety features

Covid-19 safety features to help protect you and your fellow workers.

Direct-to-Worker Notifications

Site notifications at your fingertips to keep you better informed.

Change to working hours? You'll know.
Change to working practices? You'll know.
