Additional Charges (as per MSite Hire Terms and Conditions)

If the cause of the adjustment, repair or replacement arises in whole or in part from any cause other than solely fair wear and tear then the Customer shall be liable for all costs:

- Inspection
- Loading
- Unloading
- Transport
- Repair or replacement of products

If the unit has been returned at the end of the hire without being cleaned and/or emptied, including the removal of Customer materials, HRS shall arrange for them to be cleaned by a specialist contractor, the cost of which shall be recharged to the Customer and payable on demand. These charges are also liable to incur administrative costs.

Damage Examples

Damage to Wiska box and damage to electrics

Damaged Commando Socket

Bolt holes inc screws and bolts attached

Glue and adhesive remaining on internal walls and panels

Locking barrel returned without key – needs to be drilled and replaced

Concrete splashes on base of unit

Dirt, rubble and rubbish left in unit to be tidied and cleaned

Dent to Roller Shutter

Customer equipment left in unit – removal, repair and holes to fill
