

Give your LTC clients a boost

We heard you. And built the long-term care (LTC) solution you want: SecureCare™ III, a hybrid LTC plan built on a nonparticipating whole life insurance policy.

It has all the things you love about its predecessor – a cash indemnity benefit for LTC with no fine print or restrictions about how it can be used – plus more flexibility.

Now clients can choose the protection that matters most to them:

- Maximize protection on their premium dollars with full return of premium
- OR**
- Maximize leverage on their premium dollars with LTC Boost¹

Transition rules

- **Applications for SecureCare Universal Life must be signed, in good order and received by Securian Financial's home office or submitted via eApp by 3 p.m. CST March 25.** If a new application is needed due to a licensing issue or because the application is not in good order, the client will no longer be able to apply for SecureCare Universal Life and will need to apply for SecureCare III. Remember that:
 - In pre-appointment states, agents need to be pre-appointed before they take the application. [See a list of pre-appointment states \(on page 3\).](#)
 - Agents must complete any state-required LTC training before they take the application. [Review LTC licensing and training requirements in each state.](#)
- If a client has already submitted an application for SecureCare Universal Life and started the underwriting process, but wants to switch to SecureCare III, the new application is required. This must be sent to us, along with a cover letter explaining the desired change. Any completed underwriting requirements will be applied to the new application.
- SecureCare Universal Life policies that have already been issued, paid and in-force cannot be exchanged for SecureCare III, unless the policy is in its free-look period.

1. The death proceeds, return of premium amount and long-term care benefit amount depend, in part, on the return of premium option selected on the policy application. This option cannot be changed after the policy is issued. For more information regarding return of premium options, please review the contract.

Please keep in mind that the primary reason to purchase a life insurance product is the death benefit.

Life insurance products contain fees, such as mortality and expense charges, and may contain restrictions, such as surrender periods.

Insurance policy guarantees are subject to the financial strength and claims-paying ability of the issuing insurance company.

SecureCare III may not be available in all states. Product features, including limitations and exclusions, may vary by state.

SecureCare III includes the Acceleration for Long-Term Care Agreement and Extension of Long-Term Care Agreement. These two agreements are tax qualified long-term care agreements that cover care such as nursing care, home and community-based care, and informal care as defined in the agreement. These agreements provide for the payment of a monthly benefit for qualified long-term care services. These agreements are intended to provide federally tax qualified long-term care insurance benefits under Section 7702B of the Internal Revenue Code, as amended. However, due to uncertainty in the tax law, benefits paid under these agreements may be taxable. Please ensure that your clients consult a tax advisor regarding long-term care benefit payments, or when taking a loan or withdrawal from a life insurance contract.

Additional agreements may be available. Agreements may be subject to additional costs and restrictions. Agreements may not be available in all states or may exist under a different name in various states and may not be available in combination with other agreements.

The death proceeds will be reduced by a long-term care or terminal illness benefit payment under this policy. Clients should consult a tax advisor regarding long-term care benefit payments, terminal illness benefit payments, or when taking a loan or withdrawal from a life insurance contract.
