Greetings!

Whether you're going to be at home, on the road, or on Zoom, indoors or outdoors, sitting down to a home cooked spread or to take out, eating at the dining room table or in front of the TV, with all, most or some of your friends and family, just know we are thinking of you and look forward to being able to meet up in person soon.

All of us at CuraMedix are very thankful and appreciate that we are able to help so many healthcare professionals provide their patients with the best care. Let us know when you're ready to add EPAT/ESWT into your continuum of care. We're here to help!

Wishing you a Happy Thanksgiving!
