# Mandry CONNECT

DEMYSTIFY COMPLEX VENDOR MANAGEMENT, BILLING, & SUPPORT

## Consolidating business communication services by:

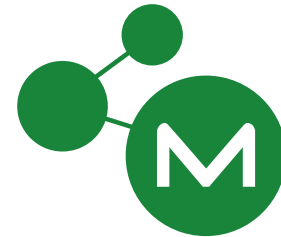

- Being the main point of contact for all your phone and internet carriers and email providers
- Sending one centralized bill regardless of how many carriers you use or sites your organization has

## Why choose us?

 Knowledge of Both Sides	 One-Stop Shop	 Simplification & Education
<b>Familiarity</b> <ul style="list-style-type: none"><li>• Business, network, and carrier knowledge</li><li>• The service and resolution you need</li></ul>	<b>All Needs</b> <ul style="list-style-type: none"><li>• Consolidated carrier relationships, billing, and circuit management</li></ul>	<b>Expertise</b> <ul style="list-style-type: none"><li>• Explanations of network and circuit complexities</li></ul>

## How does it work?

Process	Description
Discuss	We begin with an open conversation about your desired telecommunication-related results and the outcomes you can expect from our services.
Align	We align our resources around your organizational goals and present solutions designed to keep you informed. Our service agreements include the costs and time required to deploy, test, and turn up your network, which may encompass permitting, surveying, and construction.
Support	Post-deployment, we are the liaison between your organization and the internet, private IP, data center, AVPN, etc. carriers as agreed.
