Prizes worth  
up to \$8,000

## Computer Science Education Week

5 Days of pi-top

# Day 1: Caption this...

Work with your class to compose a creative, silly, or clever caption for our photo!

Write your caption here:

---

---

---

© 2021 CEED LTD.

Download and post this photo at [pi-top.com/csedweek](https://pi-top.com/csedweek) with your most creative caption to Twitter, Facebook or Instagram. Don't forget to tag us at @GetPiTop and include the hashtags #pitopDay1 and #CSEdWeek on your submission.

# Day 2: Spot the difference

There are ten differences between these two photos.  
Can you find them all?

Upload a picture of your answers at [pi-top.com/csedweek](https://pi-top.com/csedweek). You'll receive a confirmation post to share on Facebook, Twitter, or Instagram. Don't forget to tag us at @GetPiTop and include the hashtags #pitopDay2 and #CSEdWeek on your submission.

[pi-top.com/csedweek](https://pi-top.com/csedweek)

# Day 3: pi-top Scavenger Hunt

Take a tour of the **pi-top.com** website to find the answers to these three questions:

1. What is pi-top Further?

---

---

---

---

2. What is the portable “brain” that powers your coding, robotics, and electronics projects?

---

---

3. How much coding experience do you need to teach and learn computer science with pi-top?

---

---

Submit your answers to the questions at [pi-top.com/csedweek](https://pi-top.com/csedweek). Then share your submission confirmation on Facebook, Twitter, or Instagram (make sure you share the confirmation and not your answers!). Don't forget to tag us at @GetPiTop and include the hashtags #pitopDay3 and #CSEdWeek.

**Remember to register!**

## Day 4: What does CS mean to you?

It's time to get creative! Think about what Computer Science really means and why it's important. Then take a photo, write a poem, create a video, or draw a picture that represents your definition of Computer Science.
