Sales tax must be separately stated on Seller's invoice, but shall not be charged if Buyer has furnished a valid exemption certificate or other evidence of exemption. No increase in prices is effective, whether due to increased material, labor or transportation costs or otherwise, without Buyer's Authorized Representative's prior written consent.

Seller shall comply with Buyer's routing and shipping instructions. Seller shall remain liable for any and all charges which accrue as a result of Seller's failure to comply with Buyer's routing and shipping instructions.

5. DELIVERY SCHEDULE AND QUANTITIES

- a. Time is of the essence, and Seller shall strictly adhere to the delivery schedule specified in the purchase order of this Contract. In the event of any anticipated or actual delay, Seller shall: (i) promptly notify Buyer in writing of the reasons for the delay and the actions being taken to minimize the delay; (ii) provide Buyer with a written recovery schedule; and (iii) if requested by Buyer, ship via air or other expedited routing, at no additional cost to Buyer, to avoid or minimize delay to the maximum extent possible. Notwithstanding Seller's notification and

recovery plan, Buyer is not obligated to accept Seller's recovery plan, and Buyer does not waive any rights it otherwise has regarding late delivery.

- b. In the event that Seller is unable to meet the required delivery schedule for any reason, Buyer shall have the right, without waiving other rights or options, to (i) terminate this Contract for default in accordance with the "Termination for Default" clause of this Contract, or (ii) procure goods, or any portion of goods, from sources other than Seller, and to reduce the quantities of such goods required under this Contract accordingly at no increase in unit price, without any penalty to Buyer. Seller shall be solely responsible for any costs incurred by Buyer in relation to procuring goods from alternative sources, including but not limited to cost differences for higher unit pricing through the alternative source, and expediting shipping costs. Buyer shall have no liability to Seller in the event that procurement of goods or services from an alternative source results in a net cost savings. Alternatively, Buyer may require Seller to provide consideration for the late delivery. This condition shall not limit any of Buyer's rights or remedies under this Contract.
- c. Seller shall not deliver goods prior to the scheduled delivery dates unless authorized by Buyer's Authorized Representative in writing.
- d. Seller shall not deliver goods in excess of the purchase order quantities unless authorized by Buyer's Authorized Representative in writing. In the event of excess delivery without Buyer authorization, Seller shall reimburse Buyer for reasonable costs associated with storage and return of the excess. Unauthorized or over shipments may be returned to Seller by Buyer at Seller's sole expense.

6. PACKING, SHIPPING AND DELIVERY LOCATION

- a. Seller shall pack goods in accordance with Buyer's instructions and common carrier requirements to prevent damage. Buyer may charge Seller for damage resulting from improper packing.
- b. Unless the Contract specifies shipping terms other than FOB destination, then in addition to any other shipping instructions, Seller shall forward goods freight prepaid to the delivery location shown on the purchase order. Seller shall make the transportation arrangements, pay the shipping costs, and remain responsible for the goods until the goods are delivered and the Buyer takes possession at the destination.
- c. If the Contract specifies FOB origin (place of shipment), then Seller shall ship in accordance to Buyer's shipping instructions. For goods shipped within the United States, Seller shall make no declaration concerning the value of the goods except on goods where the tariff rating is dependent upon released or declared value. In such event, Seller shall release or declare such value at the maximum value within the lowest rating. Upon Buyer's request, Seller will identify packaging charges showing material and labor costs for container fabrication.
- d. For each shipment of goods, Seller shall provide Buyer in writing, advance warning and notices (in addition to including appropriate labels on goods, containers and packing) and agrees to

comply with all applicable U. S. Department of Transportation regulations on hazardous materials and any other pertinent federal, state, or local statutes, laws, rules, or regulations. Seller further agrees to indemnify Buyer from any loss, damage, fine, penalty, or expense whatsoever that Buyer may suffer as a result of Seller's failure to comply with regulations on hazardous materials.

- e. In the event Seller ships goods from outside the customs territory of the United States, the goods will be imported under the terms of sale DAP Buyer facility Incoterms 2010.

7. CHANGES

Buyer's Authorized Representative may at any time, in writing, and without notice to sureties, direct changes within the general scope of this Contract in any of the following: (i) technical requirements and descriptions, specifications, statement of work, drawings or designs; (ii) shipment or packing methods; (iii) place of delivery, inspection or acceptance; (iv) reasonable adjustments in quantities or delivery schedules or both; (v) Buyer-furnished property; (vi) terms and conditions of this Contract required to meet Buyer's obligations under its contracts; (vii) description of services to be performed; and (viii) place and time of performance of services. Seller shall comply promptly with such written direction.
- b. SELLER EXPRESSLY ACKNOWLEDGES THAT ANY SUCH DIRECTION PROVIDED BY ANYONE OTHER THAN BUYER'S AUTHORIZED REPRESENTATIVE IS OF NO FORCE AND EFFECT, AND SELLER ACCEPTS ALL RISKS OF ACCEPTING OR OTHERWISE PROCEEDING WITH SUCH UNAUTHORIZED DIRECTION.
- c. If such change increases or decreases the cost or time required to perform this Contract, Buyer and Seller shall negotiate an equitable adjustment in the price or schedule, or both, to reflect the increase or decrease.
- d. If Seller intends to assert a claim for a price or schedule adjustment, Seller must deliver to Buyer a notice within twenty (15) days, and deliver a fully supported proposal to Buyer within forty-five (45) days, after Seller's receipt of Buyer's change direction.
- e. If Seller believes that conduct or circumstances other than Buyer's written change order constitutes a change, Seller must notify Buyer immediately but no later than ten (10) days after it knows of such conduct or circumstances. Seller shall be entitled to a price adjustment as a result of such change only for costs incurred (i) after Seller's notification and (ii) after receipt of Buyer's Authorized Representative's written instructions to proceed. The amount of such price adjustment, as well as any schedule adjustment, shall be negotiated. Seller's failure to report alleged changes immediately but no later than ten (10) days shall release Buyer from all liability for additional costs, extended performance, or changes associated with the alleged change and shall constitute a waiver by Seller to claim any additional costs or adjustment of the delivery schedule.
- f. To the extent that any change requested by Buyer derives from a change requested by Buyer's Customer under a Government Contract, any adjustment to the costs and delivery schedule shall be limited to the corresponding adjustment, if any, agreed under the Government Contract.

- g. Buyer may, at its sole discretion, consider any claim regardless of when asserted.
- h. Seller has the burden to support any claimed adjustments in price or schedule. Further, Buyer shall have the right to verify the amount of Seller's claim in accordance with the Financial Records and Audit clause of this Contract. Failure of the Parties to agree upon any adjustment shall be handled as a Dispute and shall not excuse Seller from performing promptly in accordance with Buyer's direction.

For Items and Services delivered hereunder, Seller shall be liable for, defend, indemnify and hold harmless Buyer, and each subsequent purchaser or user thereof, from all loss or damage of any kind (including all costs and expenses including attorneys' fees) arising out of any and all allegations, actions, proceedings, claims, or awards for any infringement, misappropriation, or wrongful use suit or action, including, without limitation, any proceeding under 28 U.S.C. § 1498, alleging that manufacture, use or sale infringes any patent, trademark, copyright, trade secret, mask work right or other proprietary or intellectual property right (collectively "Infringement Claim(s)") in connection with any Items, software or data furnished hereunder, whether such are provided alone or in combination with other Items, software or processes. Seller hereby agrees to defend any and all such actions, at Seller's expense, if requested to do so by Buyer. If, however, the Infringement Claim arises as a necessary consequence of Seller's compliance with Buyer's drawings and specification, which describe that aspect of the Items and Services upon which the Infringement Claim is based, Seller shall have no obligation to indemnify Buyer.
- (b) Seller and Buyer agree to notify each other in writing as soon as they become aware of a challenge of infringement or wrongful use in connection with any such Items, software or data furnished hereunder. Upon Buyer's election, Seller shall be released from its obligation to pay for attorney's fees and court costs. Further, Seller, if requested in writing by Buyer, shall cooperate with Buyer in Buyer's defense of any alleged Infringement Claim.
- (d) If the use or sale of Items or Services, in respect to which Seller indemnifies Buyer, is enjoined as a result of such Infringement Claims, Seller, at no expense to Buyer, shall obtain for Buyer and its customers, the right to use and sell said Items or Services or shall substitute equivalent Items or Services acceptable to Buyer and extend this patent indemnity with respect to such equivalent Items or Services. In the event that Seller is unable to secure such right of use for Buyer or its customer or to secure equivalent Items or Services as a substitute, Seller will indemnify Buyer and its customer for any and all losses or damages sustained by reason of such injunction.
- (e) Seller's obligation to defend, indemnify, and hold harmless Buyer and its customers under this
