

# Sample Opening Speech

Hello everyone and thank you for joining us. We have a very exciting activity planned for you today! Are you ready to have some fun?

Today, teams will be competing in a series of challenges by submitting answers through a smartphone app in the form of fun videos, photos, text, and/or trivia responses. The challenges require teamwork, communication skills, problem solving, creativity, and the ability to strategize to succeed.

Time is of the essence – if you run into a challenge that your team isn't ready to complete, skip it and move onto the next challenge.

You will be earning points with each submission, and can follow the progress through the 'Leaderboard' and 'Submissions' tabs in the app.

Each team has a designated team leader who will provide their phone to play! In just a few short moments, you will be given our Activity Name and Entry Code to get started. Team leaders - please ensure that you have a full battery, all other apps are closed prior to starting, and that your Bluetooth is turned off to maximize app performance.

You have **XXX** hours to work with your team and complete as many challenges as possible. We ask that we meet **inside/outside** of **XXX(location)** at **XXX(time)**.

Ok, team leaders open the Outback Team Building App you have downloaded and sign-in. Once you are signed in, pick 'Select an Activity' from the menu option.

At the top of the screen, in the search bar, type in **(Activity Name)**. Select 'Join this Activity' at the bottom of the screen. Your Entry Code is **XXX**.

Create your team name, take a team photo and go have some fun!
