

## Scream Pursuit - Sample Speech

*Welcome the group and introduce yourself for those who may not know you. Allow some time for your team to socialize at the start while everyone arrives at the meeting location. Before introducing the activity, ensure everyone has what is needed to get started, strong Wi-Fi or if in person appropriate materials and clothing to participate.*

*Once ready, introduce the activity to your group.*

Hello everyone and thank you for joining us. We have a very exciting and spooky activity planned for you today, your very own Scream Pursuit! Are you ready to have some fun and have your group laughing till your coffin?

Scream Pursuit is a hair-raising team building activity that will have your team working together to complete four different types of challenges: mental, physical, skill, and mystery. You'll need to play to your strengths and work until the clock strikes \_\_\_\_\_ to earn points and climb to the top of the leaderboard from out of the dungeon.

To participate, one person on your team will need to log in to the free Outback Team Building and Training web app on any web-enabled device. Once you've signed into the app, your team will complete challenges by submitting text responses and photos – all within the Outback web application.

The ghastly group who correctly completes the most challenges and earns the most points will be the Scream Pursuit Champions!

Before we get started, I'd like to share a few tips for today's activity:

- One person only per team needs to sign into the app. This person is responsible for submitting the answer once your team agrees on it.
- Challenges can be completed in any order. You'll need to strategize to determine which challenges will earn your team the most points within the time limit.
- Points are based on the level of difficulty for each challenge. Completing the harder ones will earn you more points.
- Spelling counts with trivia questions, please confirm the spelling with your team before submitting your answer.
- You will also encounter some photo challenges in each round. Please read the challenge descriptions carefully and complete them as directed in order to earn points.
- Once an answer is submitted, it cannot be changed.

*Provide all teams in the group any resources needed prior to breaking them out (activity code, challenge list, resource materials, etc.). Once they have everything they need, break them out into teams.*

Team Captains, let's get signed in to the activity and get started!

Entry Code: \_\_\_\_\_

Once signed in, you will be prompted to create a team name and take a team photo.

Alright everyone, let's get started!

## Closing Speech

*Welcome the group back and allow for some social time and for the teams to talk about the activity. Prior to closing out your event and announcing the winner, we suggest you highlight any notable team submissions or encourage the teams to talk about their strategy throughout the activity.*

Today's activity tested your teams' mental strengths and problem-solving abilities as you worked together to find answers to the challenges you faced. To do this:

- You focused on fast, open, and effective communication.
- You acted and reacted to situations with the team's best interest in mind.
- You supported each other through every aspect of the activity, from start to finish, no matter what obstacles were put in your way.
- And most importantly, you acted as a team rather than as a group of individuals.

*(Option: Share and/or briefly comment on a couple of the best/most interesting photos to start the debrief.)*

Before I announce our top three teams, I would like to hear about your experience today.

### *Basic Debrief Questions*

- *What are some qualities of a Leader/ Effective Communicator that you admire? How did you see those qualities being shown within your team?*
- *Was there a predominate leader in your group? Did you share the leadership role based on the challenge?*
- *How will you transfer what you learned today back into the workplace?*

And now the moment you have all been waiting for...it's time to announce the top teams!

With a score of: \_\_\_\_\_ In third (3<sup>rd</sup>) place is: \_\_\_\_\_

With a score of: \_\_\_\_\_ In second (2<sup>nd</sup>) place is: \_\_\_\_\_

With a score of: \_\_\_\_\_ The winning team is: \_\_\_\_\_

That wraps up your Team Pursuit. It has been a pleasure working with you today, and I hope you had as much fun as I did.

Thank you!!!
