

Trivia Championship - Opening Speech

Welcome the group and introduce yourself for those who may not know you. Allow some time for your team to socialize at the start while everyone joins the meeting. Before introducing the activity, ensure everyone has what is needed to get started, strong Wi-Fi or if in person appropriate materials and clothing to participate.

Once ready, introduce the activity to your group.

Hello everyone and thank you for joining us. We have a very exciting activity planned for you today, your very own Trivia Championship! Are you ready to have some fun?

Trivia Championship is a high energy team building activity that will have your team working together to complete trivia challenges during excitingly themed rounds. You will need to play to your strengths and work against the clock to earn points and climb to the top of the leaderboard.

To participate, one person on your team will need to sign on to our Outback Team Building web application. Once you have signed on to the app, your team will complete challenges by submitting responses – all within the Outback web application.

The team who correctly completes the most challenges and earns the most points will be the Trivia Championship Winners!

Before we get started, I'd like to share a few tips for today's activity:

- One person only per team needs to sign into the app. This person is responsible for submitting the answer once your team agrees on it.
- The challenges are organized in 6 rounds of trivia and multiple-choice questions each with a different theme.
- You will need to submit an answer for each round challenge to unlock the hidden challenges.
- Teams complete challenges one round at a time and then return to the main meeting room to discuss submissions, answers and to view the updated leaderboard (optional).
- Spelling counts with trivia questions, please confirm the spelling with your team before submitting your answer.
- Once an answer is submitted, it cannot be changed.

*Provide all teams in the group any resources needed prior to breaking them out. **Activity code, challenge lists, resource materials etc.** Once they have everything they need, break them out into teams.*

Team Captains, let's get signed in to the activity and get started!

Closing Speech

Welcome the group back and allow for some social time and for the teams to talk about the activity. Prior to closing out your event and announcing the winner, we suggest you highlight any notable team submissions or encourage the teams to talk about their strategy throughout the activity.

Today's Trivia Championship activity challenged your teams' knowledge in a variety of categories and put your teams to the test with fun trivia and multiple-choice challenges.

To complete these challenges:

- You focused on fast, open, and effective communication.
- You acted and reacted to situations with the team's best interest in mind.
- You supported each other through every aspect of the activity, from start to finish, no matter what obstacles were put in your way.
- And most importantly, you acted as a team rather than as a group of individuals.

Before I announce our top three teams, I would like to hear about your experience today.

Basic Debrief Questions

- *What are some qualities of a Leader/ Effective Communicator that you admire? How did you see those qualities being shown within your team?*
- *Was there a predominate leader in your group? Did you share the leadership role based on the challenge?*
- *How will you transfer what you learned today back into the workplace?*

And now the moment you have all been waiting for...it's time to announce the top teams!

With a score of: _____ In third (3rd) place is: _____

With a score of: _____ In second (2nd) place is: _____

With a score of: _____ The winning team is: _____

That wraps up your Trivia Championship. It has been a pleasure working with you today, and I hope you had as much fun as I did.

Thank you!!!
