

Australia's National Skin Check Day (anscd) 2022 Registration

Australia's National Skin Check Day is back for our second year and will be bigger and better than ever. We have a newly developed website dedicated to Australia's National Skin Check Day only, to help engage the public to find a doctor in their local area and book a skin check.

We have set a new target challenge of **2000** skin check to be completed for Australia's National Skin Check Day - Thursday 24 February 2022.

We are inviting all clinics and doctors that were involved with Australia's National Skin Check Day 2021, to join us again on our early detection mission, along with new clinics for anscd 2022. visit: www.anscd.org.au

Here's what happened if you missed anscd 2021, Mates Against Melanoma and our supporters achieved:

anscd 2021 Statistics

Skin Check Target:	1000
Skin Check Tally:	1629
Suspicious Spots Found	944
Biopsies Performed:	511
Medical Clinics	86
Uncounted Skin Checks	600

Uncounted skin checks were booking consultations completed in the week leading up, week off or weeks after. Some clinics had a 100% increase from usual skin check booking numbers.

We invite new medical practices and skin check doctors to support the Mates Against Melanoma early detection revolution, to increase community skin check participation rates and reduce deaths through early detection.

How to Register:

Medical Clinics & Doctors registering as an official **anscd 2022** skin check doctor, will be required to complete the online registration. This will entitle you to receive an anscd membership.

To activate **anscd** membership complete your clinic details or personal details (if you are a practitioner that works out of clinic in onsite locations) and the location you will be working on **anscd 2022**. Provide payment and you will be automatically uploaded to the **anscd - find a doctor**, where community members and the public can search and book a skin check with in their local area.

Visit: www.anscd.org.au/doctor-registration complete online form, submit with your membership payment. This will automatically populate your details to the anscd – find a doctor webpage. (Once registration is complete you will be sent a membership login which will allow you to update clinic details and passwords as required)

You are now a participating anscd doctor and are now ready to help us achieve our 2000 skin check target and save lives.

Should you have any issues please see the contact us details below and one of our Mates Against Melanoma representatives will be in contact.

Registration Fee Schedule:

Registration fee applies to all medical clinics, including medical groups with multiple sites, locum doctors are required to register and will be able to update their clinic locations as required with their own log in details.

1. Medical Practices \$115.00 gst inclusive for each clinic
2. Locum – Practitioners \$115.00 gst inclusive for each doctor (able to update each location)
3. Skin Check Doctors (individual) – out of clinic **or** at onsite locations \$115.00 gst inclusive for each doctor
4. Discount Code: This has been designed to allow medical groups with multiple clinics to pay registration fee for all clinics from a head office level, which will then issue each clinic with a code to allow clinic managers to register their clinic.
