etúHOME

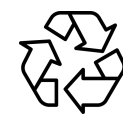

The European Inspired Kitchen

etúHOME was founded on the belief that the utilitarian pieces used to prepare, serve and store food in, matter. Each product we create is rooted in classic European designs and is handcrafted by Hungarian artisans from sustainably-sourced materials in order to be truly authentic.

Why Choose etúHOME?

Reclaimed Wood

Recycled Glass

Artisan-Crafted

Time-Honored

Food-Safe

Recycled Glass

We are committed to creating sustainably responsible pieces from recycled glass sourced across Europe. Each vessel is mouth-blown by skilled European artisans creating perfectly imperfect accents for the modern home. All of our products are carefully prepared by hand with the highest attention to detail.

Due to the handcrafted nature of our products, no two items are alike. Recycled glass has a slight vintage green/blue tint and can contain small bubbles. We embrace these imperfections as they make each vessel truly authentic and one-of-a-kind.
