Found Accents

A collection of rustic wooden kitchen items including cutting boards and utensils. Several large, round wooden cutting boards are mounted on a white wall. In the foreground, a dark grey ceramic jar holds several wooden kitchen utensils: a spatula, a spoon, and a butter knife. The wood has a natural, weathered appearance.

The European Inspired Kitchen

etúHOME was founded on the belief that the utilitarian pieces used to prepare, serve and store food in, matter. Each product we create is rooted in classic European designs and is handcrafted by Hungarian artisans from sustainably-sourced materials in order to be truly authentic.

Timeless Pieces

With sustainability at the core of our business, our found collections embody everything we believe in. Collected from across Eastern Europe, specifically Greece, Bulgaria and Turkey, these pieces have been bringing people together, creating memories and inspiring joyful homes for years. Dating back to the 1900's, these one-of-a-kind pieces come in several shapes and sizes. While baring marks of use and age, they remain faithful to our high quality standards.
