

SleepWeaver®

Skin Friendly® CPAP Masks with

sovaSage
reinventing sleep therapy

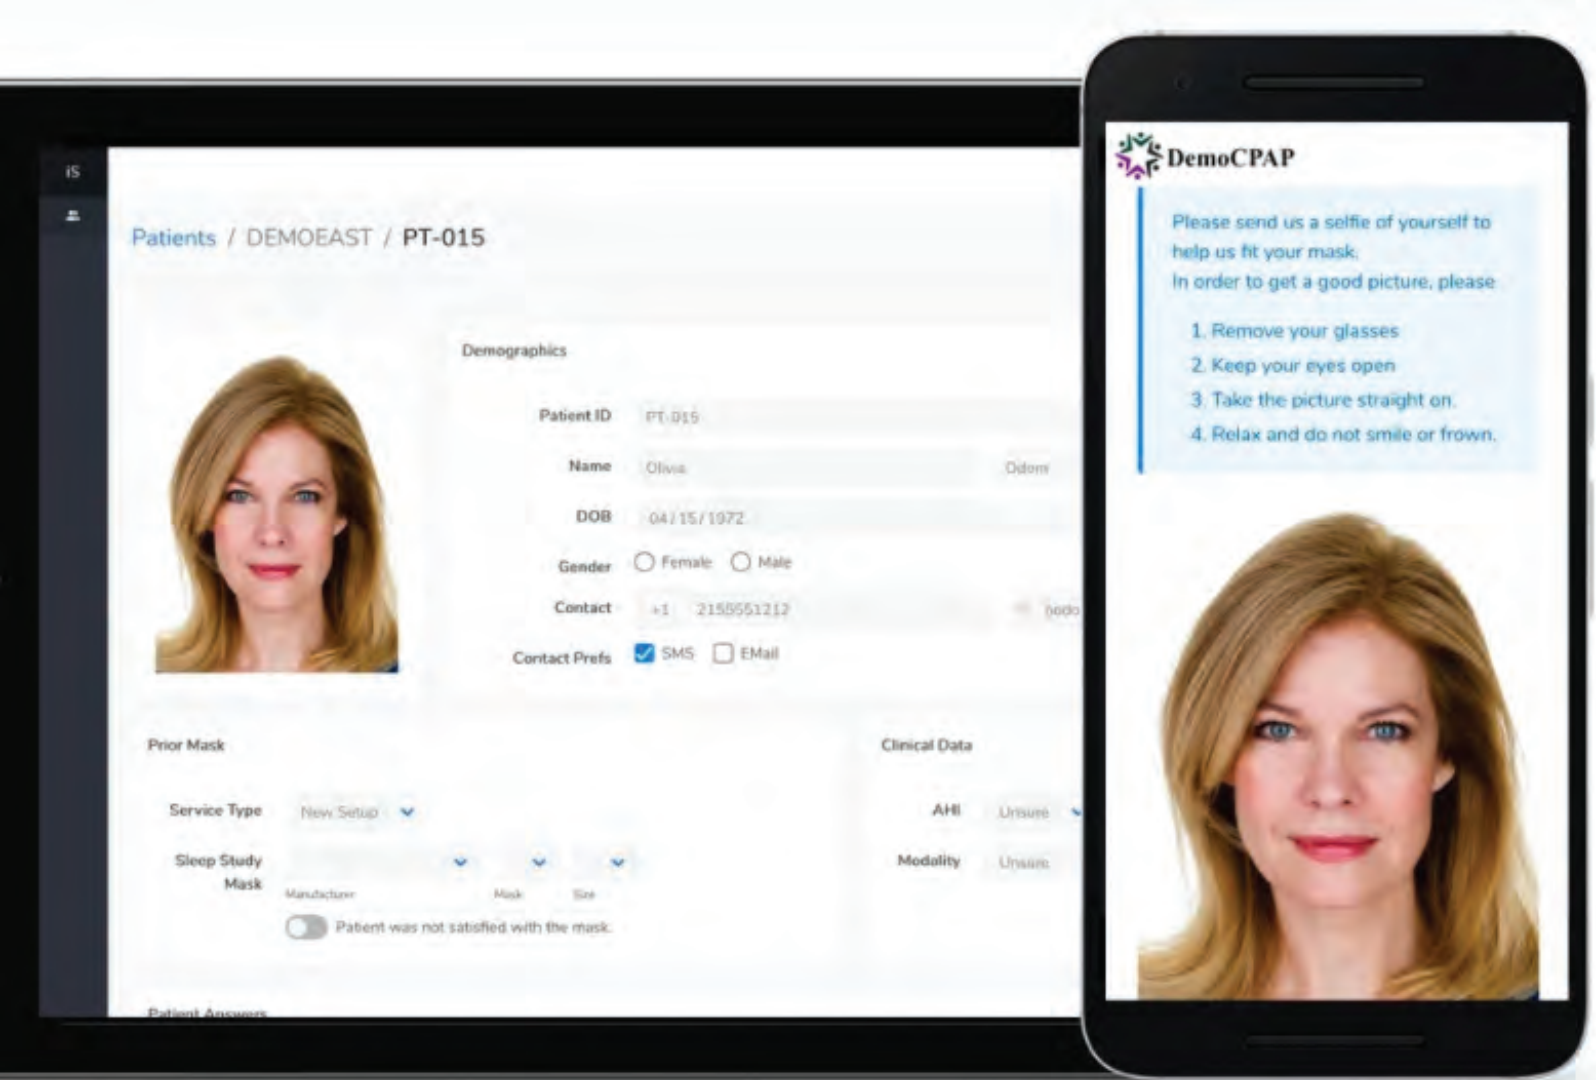

**It's time to change Sleep Apnea therapy -
*forever!***

**The sovaSage TherapistAssist™ software
product was designed specifically for
Sleep Labs and Durable Medical Equipment
providers. The result is an unequalled
product in the treatment of sleep apnea.**

- **AI-powered algorithm with data-driven results**
- **On-boarding cost of new OSA patients reduced by as much as 70%**
- **Mask exchanges significantly reduced**
- **Patient experience and long term compliance to therapy improved**
- **Seamless integration with Sleep Labs and HST providers**
- **Fitting time reduced by 50%**
- **Consistent fitting means fewer mask failures**
- **No manufacturing bias**

Get better outcomes, less problems, and happier patients all while saving time and money.
