HEART OF A **LEGEND**

RAM 1500 TRX

6.2L SRT® HEMI V8 W/ MDS - RWD
702 HP / 882 NM TORQUE

With an earth-shattering 707hp supercharged 6.2L V8 engine and 882 Nm of torque the Ram 1500 TRX most powerful production street-legal half-ton pick-up ever produced. With a rugged 8- speed automatic transmission built to withstand the immense power from the engine, driving the TRX is something to experience.
