GETTING READY

TIPS AND REMINDERS

LABELS

Label EVERYTHING that you bring camp this summer with permanent labels like marker, iron-on, sew-in (even socks and masks!)

It is most helpful if you label each item with your full initials or last name so we can identify items if found. If an item is not labeled and is left behind at camp, we cannot guarantee its return. Any lost items we collect at the end of the summer which do not have labels will be donated to charitable organizations. Labels that cannot be washed or ripped off are best for our rugged camp environment.

LESS IS MORE IN THE OUTDOORS

In accordance with guidance from the American Camp Association, please limit belongings sent to camp to the essentials.

Please leave stuffed animals and personal toys at home.

A big part of a camper's summer experience is gaining more independence around managing personal belongings and we recognize this is a learning process. We find that campers have a much more fun-filled time at camp when they are less focused on managing the items they bring with them.

We are an outdoor camp and we like to play in the woods, use tools, climb rocks, swim in lakes and rivers, cook with all kinds of foods, and work with farm animals.

Kids will come back dirty every day. Please do not send any clothing that is special to your child that can't get dirty or ripped. Please do not send any valuable items to camp.
