FREE GROCERY DELIVERY SERVICE

In partnership with Ryman Healthcare, Student Volunteer Army has designed a priority grocery delivery service exclusively for Ryman residents.

- Ryman residents will receive priority delivery, usually the following day provided you order by 3pm.
- Payment is via credit or debit card using a secure system.
- The service is predominately operated in Auckland however other centres can request service by calling 0800 005 902
- A volunteer will physically shop for you from the nearest New World supermarket and deliver to your village, contactlessly.
- Please spread the word and tell your friends!

Place your orders by calling 0800 005 902
