# THE FORTEGRA DIFFERENCE

## ABOUT FORTEGRA

As a B2B insurance and warranty solution services provider, we partner with financial institutions, insurers, and retailers to deliver valuable protection solutions for businesses and consumers alike. With a full-service and vertically integrated approach, our in-house compliance, marketing, training, administration, finance, and underwriting teams work together to generate success.

## STRENGTH & STABILITY

Founded in the U.S., Fortegra has over 40 years of experience and a history of success. In 2014, Fortegra was acquired by the Tiptree financial family of companies and is traded on the NASDAQ (TIPT).

*"I have had the pleasure of working for two Fortune 100 insurance companies in my career, but neither of those organizations were able to provide me with the high level opportunities and experiences I have had being part of the Fortegra Family."*

- Mark Walters, VP Credit Protection Underwriting
