

INDEPENDENCE CHAIR™

manufactured by VELA

THE SAFETY ACTIVITY CHAIR

BY VELA

The Independence Chair™ manufactured by VELA, is a Danish-designed, safety and activity chair that allows user to get back to doing things that they love and help regain their independence. Do you find yourself limited in your daily activities like cooking, cleaning, or doing the laundry because you just can't reach the shelf or counter top? Are you unable to join the family at the dining room table because your wheelchair is not the right height to sit and have a conversation at dinner with the kids or grand-kids?

The Independence Chair™ by manufactured by VELA has many customization features that allow you to perform your daily activities or get back into hobbies that you love or explore new ones that you've always been interested in like painting or baking new recipes.

HEIGHT ADJUSTMENT

Become you again

Now I can do it...

INCREASE YOUR INDEPENDENCE

It starts here!

The Independence Chair™ manufactured by VELA, is a Danish-designed, safety and activity chair that allows user to find themselves again and help regain their independence. Do you find yourself limited in your daily activities like cooking, cleaning, or doing the laundry because you just can't reach the shelf or counter top? Are you unable to join the family at the dining room table because your wheelchair is not the right height to sit and have a conversation at dinner with the kids or grand-kids?

The Independence Chair™ by manufactured by VELA has many customization features that allow you to perform your daily activities or get back into hobbies that you love or explore new ones that you've always been interested in like painting or baking new recipes.

How can this help me?

Just some of the features and benefits...

The **manual height adjustment** lets you get lower or higher in the chair, if you need to reach the floor to pick something up, or get to the highest counter-top where your fancy mixing bowl is.

The **two-wheel locking system** allows you to secure your chair into place for safety, so that the chair does not move.

The **adjustable armrests** allow you to move the armrests up and down and horizontally from side to side, so that you can transfer in and out of a chair or bed into the Independence Chair™.

Specifications

Height adjustment: Manual
Weight limit: 352 pounds
Seat, width x depth: 18.5 x 19.3 inches
