

Technical Specifications

Product name	SwingPort™
Model name	Swing Port 1.0
Type	AS-99280
Region	EU, United States, Canada, Japan, Korea, China, Israel, Panama, Serbia, and Uruguay
Manufacturer	AutoStore AS
Dimensions	L: 1,411 mm, W: 1,606 mm, H: 1,100 mm
Weight	158.5 kg
Weight accuracy	+/- 50g
Max. load including Bin	35 kg
Bin type support	220 and 330 mm
Max. Bin throughput	170 Bins/hr. with 8 m Bin Lift 2.0 Operator handling time of 15 seconds
Min. exchange time	3 seconds
Storage temperature	-25°C to +55 °C
Operating temperature	+2°C to +35 °C
Operation humidity	40% to 90% non-condensing
Furniture material	Aluminum and composite material
Working height	870 to 1,100 mm
Noise level	<60 dBA
Voltage	100-240 VAC, 50-60 Hz
Max. current	2 A
Power consumption	90 W (normal operation)
Power connector	C 13
Signal	Ethernet RJ45 External estop
IP class	IP 20
