Fanvil i52W SIP Indoor Station

Fanvil i51W/i52W/i53W/i56A is the SIP indoor station with a clear color screen and easy-to-access buttons, which can be applied in different indoor scenarios. Working with door phone and intercom at the entrance, Fanvil indoor station can easily provide remote access security control for residences. It can also be connected to alarms and other intelligent security devices via SIP/rich interfaces.
