New Products & Products to Consider

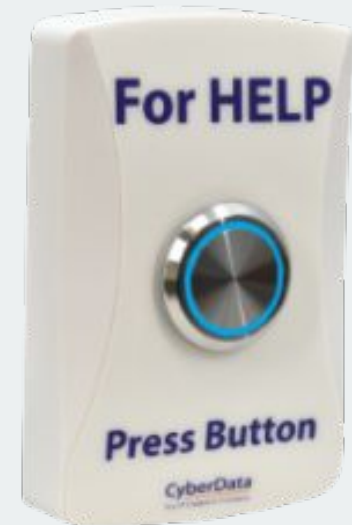

Poly Rove

Keep the conversation going whenever, wherever – at work. Built for on-site employees the Poly Rove wireless IP phone solution delivers the sweet freedom to move. Not to mention, it's built to stay cleaner for longer with Microban® antimicrobial product protection.

Grandstream GU3050

The GU3050 can be paired with laptops, desktops, IP Phones, and other Bluetooth capable devices to offer high-quality, wireless sound. Ideal for remote workers and busy environments.

CyberData InformaCast Enabled WiFi Alert Button 011527

The CyberData InformaCast Enabled WiFi Alert Button 011527 is the perfect device to add to your mass notification IP paging solution.

Grandstream GCS UC Solution Training

GCS - UC Solutions Webinar
GRANDSTREAM CERTIFIED SPECIALIST - UC Solution

The Grandstream Certified Specialist (GCS) certification will provide a top-level overview and a basic understanding of the capabilities of the system.

The webinar is expected to take about four hours. You can choose to take the exam on a different day within three days of the webinar.

Join our live session with our trainer and submit questions as you learn. If you would like to learn ahead of time and just join the Q/A, we will upload the content 14 days before the scheduled event below. Please check back on this page for the updated link:

March 30, 2021 13:00 -- March 30, 2021 17:00(GMT-04:00) Eastern Time (US and Canada)
