Thank you!**

Let Us Fulfill Your Needs

# Who is VoIP Supply

VoIP Supply is North America's leading VoIP solutions provider.

We have been taking the stress out of VoIP Solution design since 2002! Reclaim your industry experience and join our team of over 125,000 customers.

## Product Catalog

Over 5,000 products from over 60 of the industry's leading manufacturers

## We are More than just a Website!

Best Places to Work in Western New York  
500/5000 Company

Buffalo Niagara Business Ethics Award Nominee

## VoIP Experts

Combined, our experts have over **FIFTY** years of experience

## New Products & Products to Consider

### Algo 8196 PoE+ SIP Horn Speaker

The 8196 IP PoE+ Horn Speaker is suitable for use in both indoor and outdoor environments and can withstand spray and weather if the back wire compartment is correctly secured to avoid water entry.

### Poly E70

The Poly Studio E70 is a first of its kind intelligent camera that brings mind-blowing video quality, state-of-the-art audio features, and advanced analytics to Microsoft Teams Rooms.

### Grandstream GWN7660 WiFi 6 Indoor Access Point

The Grandstream GWN7660 WiFi 6 Indoor Access Point is the ideal AP for enterprise users who require advanced QoS, mesh networks and support for low-latency real-time applications.
