

Ondrej Vlcek

Chief Executive Officer

Ondrej Vlcek serves as Chief Executive Officer for Avast. Together with his senior management team, he executes on Avast's vision to deliver people-centric security and spearheads the Company's product innovation program for emerging consumer technology categories, including the Internet of Things and 5G security. Mr. Vlcek was previously President of Avast Consumer, the largest business within the

Company, and directed the development of Avast's artificial intelligence-based cloud security network. Mr. Vlcek was also a key member of the executive team that took the company public on the London Stock Exchange in May 2018.

Previously, he held the combined position of Executive Vice-President & General Manager, Consumer, and Chief Technology Officer. In this role, he led Avast's transformation from a traditional PC antivirus vendor to the leading provider of a full portfolio of protection, privacy, and performance products for consumers. Prior to that, Mr. Vlcek was chief developer, heading the team that developed one of the first ever antivirus programs for Windows. Mr. Vlcek holds an MS in Mathematics from Czech Technical University in Prague. He is a recognized industry speaker having delivered keynotes at a number of highprofile events including RSA, Web Summit, Black Hat and SXSW.
