

LINCOLN COLLEGE JOB DESCRIPTION

Post Title:	Instructor/Assessor in Mechanical Engineering	Post Number:	LC0643P
Daily Supervision:	Training and Skills Lead: Engineering	Grade:	Support Scale 5/6
Department:	Employer Provision	Last Updated:	November 2021

Our Vision:

To be an extraordinary organisation whose talented students, staff, governors and alumni ensure that it adds recognised social and economic value to its local communities by providing high quality education and training and making people exceptionally well prepared for work, potentially via higher education.

Our Mission:

Employer-led; producing a highly skilled and productive local workforce.

Our Cornerstones of Success & Values Guiding Behaviours:

Job Purpose:

To deliver training, assessment and conduct regular reviews with Mechanical Engineering apprentices on various related apprenticeship at their place of work, and at college. To regularly keep employers informed of apprentice progress throughout the apprenticeship journey. To provide appropriate information, advice and support to all parties involved in these apprenticeships.

PRINCIPAL DUTIES AND RESPONSIBILITIES:

1. To deliver training, plan and conduct on site work based assessments and reviews in line with college and awarding body organisation procedures.
2. To support student learning through training, observation, assessment, instruction, guidance and other appropriate means.
3. To plan, develop and deliver a wide range of Teaching, Learning and Assessment strategies to support apprentice / learner in knowledge, skills and behaviours.
4. To undertake relevant workshops and inductions.
5. To be actively involved in all aspects of student recruitment.
6. To provide appropriate guidance to learners when selecting courses both initially and as progression.
7. To be responsible for the supervision, tuition, review, assessment and internal verification of learner performance, according to the requirements of the programme.
8. To complete and maintain student records, portfolios and other paperwork connected to learner programmes and apprenticeship frameworks in line with college and awarding organisation procedures
9. To undertake relevant professional development to stay abreast of changes to curriculum and so maintain professional standards and expertise.
10. To maintain learning, assessment and teaching quality through critical self-reflection and collegial activity.
11. To promote the development of the Equal Opportunities Policy throughout all aspects of employment.
12. To develop and maintain quality standards appropriate to the post.
13. To maintain professional standards and expertise by undertaking relevant professional development.
14. To conform with the Health & Safety requirements to the post.
15. To be responsible for the safeguarding and promoting the welfare of children wherever applicable within the role.

N.B. This is not a complete statement of all duties and responsibilities of this post. The postholder may be required to carry out other lawful and reasonable duties as directed by a supervising manager.
