

ROADRUNNER FREIGHT

Directions to Roadrunner Freight's Philadelphia Service Center

We received some feedback that navigating to the new Philadelphia service center has been challenging. Please use the following directions below to get to this terminal:

- Take I-295 to Route 1 Roosevelt Blvd exit and follow to Rising Sun Ave
- Follow Rising Sun Ave to North 2nd Street
- You will see a railroad bridge on North 2nd Street immediately off of Rising Sun Ave
- The Roadrunner Freight Philadelphia facility is just past the bridge on the right hand side

Please contact your IC Coordinator if you have any questions about these directions.
