The Boclips for Teachers video platform provides teachers with the content, tools, and strategies they need to use video in the classroom safely, easily, and with maximum effectiveness. Packed with over 1 million high-quality videos and an array of standards-aligned resources, our flexible platform empowers teachers to enrich lessons with video whenever, however, and wherever they see fit.

# Why educators choose Boclips for Teachers:

## **Unbeatable content**

Teachers get instant access to over 1 million vetted, short-form videos from over 160 globally recognized content providers

## **Time-saving search**

With content browsable by subject, age, and duration, teachers spend less time searching for, judging, and implementing video resources

0	-0	
		7

## Fresh & current

Our library is always growing, offering teachers a continuous stream of new content to keep students interested

## **Resource rich**

Lesson plans, activities, teacher ratings, and suggested classroom usages provide teachers guidance while maximizing teacher choice

#### Vetted & teacher-curated

Our content is educationally relevant, curated to support learning standards, and vetted for accuracy and quality

## Flexible & adaptable

Platform supports differentiated instruction, flipped classrooms, blended learning, and other teaching methodologies
