## Working with Denham Wolf in New York

“ I think [Northspyre is] just generally **really cool**. Being able to **jump into your portfolio** and look at where it is and what is going on from a **budget point of view** and seeing your project in a portfolio... **is very helpful**. ”

**Ron Innocent**  
Director of Project  
Management

## FRUSTRATIONS BEFORE NORTHSPYRE

- ✗ Heavily reliant on spreadsheets and felt the inefficiency of double or triple-checking output.
- ✗ Searching for a way to standardize processes, increase consistency, save time and manage documents.
- ✗ Wanted to provide relief to smart, highly-trained staff that were bogged down in tedious administrative tasks.

## SUCCESSES WITH NORTHSPYRE

- ✓ Leveraged automation to expedite invoice approval process and reduce time wasted on tedious admin tasks.
- ✓ Enhanced overall quality control and efficiency, project-to-project, for increased customer satisfaction.
- ✓ Empowered lean project team with intuitive, easy-to-use software that ultimately improved quality of life.
