Energy Efficiency Partner Membership Application

Date: _____

The Energy Efficiency Partner Membership category was designed for utility or government agencies and energy efficiency contractors/consultants. Energy Efficiency Partner Members will not have access to HARDI market or benchmarking data as a direct benefit of this membership, but may purchase or subscribe separately to said reports. Purchase of the reports requires signing a terms of use agreement not to share HARDI's reports or data to entities outside the employ of the firm or corporation without express written permission from HARDI.

Firm Name: _____ Date of Firm's Founding: _____ # of Employees: _____

MEMBERSHIP FEES AND AUTHORIZATION

Please remit your completed application and **\$200.00 initiation fee**. Each applicant understands that if for any reason their application is not accepted, the initiation fee will promptly be refunded in full.

Schedule of membership dues:

HARDI's schedule of dues, payable upon approval of application, is applicable to gross dollar volume for Heating, Air-conditioning, Refrigeration, Sheet Metal and related accessories for your last completed year for the brand applying for membership. Please exclude sales from plumbing fixtures and equipment and other non-HVACR materials and/or equipment if any.)

Please mark the appropriate category:

<input type="checkbox"/>	Utilities and Government	\$1,500/annually
<input type="checkbox"/>	Energy Efficiency Contractors	\$3,000/annually

Dues are based on HARDI's Fiscal Year which is from January 1 - December 31. First year dues, excluding initiation fee, are calculated on months remaining in the fiscal year. If you join membership after November 1st, the following years dues must be paid as well.

ENHANCED MEMBERSHIP OPTIONS

Among our members are companies who elect to support the Association via increased levels of support at the Premier, Sustaining or Contributing level. In return for their additional measure of support they enjoy a host of additional benefits. If you participate and take advantage of the savings available, the combined benefits far outweigh the cost of dues.
