

Powering Today. Protecting Tomorrow.

Mission Statement

Our mission is to provide sustainable waste and energy solutions to ensure no waste is ever wasted. At Covanta we believe the materials discarded every day should be utilized to their fullest potential to preserve the world's valuable resources and generate clean energy for our client communities and the world we live in. This is how Covanta is powering today and protecting tomorrow.

Protection: We will conduct our business in an environmentally sound manner that is protective of human health and the environment.

Compliance: We will manage our work to assure compliance with all applicable environmental regulations and requirements.

Conservation: We will minimize impacts to the environment by encouraging pollution prevention at the source, waste minimization, recycling and responsible disposal of production by-products.

Qualification: We will ensure that all employees have the necessary information, resources and training to make informed environmental decisions.

Commitment: We are committed to being an industry leader in environmental protection by achieving superior awareness and performance through a process of continuous improvement.

Environmental awareness and performance is the responsibility of every employee.
By embracing this philosophy, we all can make a difference.
