

Questions Template for LLC Members

Topic of the Question-

To help me address your question to the right person, please indicate the nature of the issue or question that you would like to raise:

- | | |
|---|-------------------------------------|
| Plant Construction | <input type="checkbox"/> |
| Emissions and Monitoring | <input checked="" type="checkbox"/> |
| Environmental or ecological issues | <input type="checkbox"/> |
| Traffic or roads and pathways | <input type="checkbox"/> |
| Committee Membership or Process | <input type="checkbox"/> |
| Other | <input type="checkbox"/> |

Question or Issue- please give your question or issue briefly here with any points that you specifically would like answered.

I wonder if Covanta (or the appropriate partner) to brief the Liaison Committee on fire regulations and certification. Obviously fire is the plant's business with extreme temperatures operating, but there are no doubt peripheral risks. What certification and inspections are necessary and at what stage in the testing and operation. Thank you.
