2020 encouraged us to pivot, continue our efforts, and support more individuals in new ways. Every person in our community deserves the opportunity to live a successful life. As we look to the future, the ways we support our community may change, but our focus stays the same.

So, how are we going to help them?

United Way of East Central Iowa supports individuals in our area through connections to our community, collaborations to tackle tough issues, and commitments to finding creative solutions.

Your support lays the groundwork and steers the course for addressing disparities in our community to create a more sustainable and equitable Eastern Iowa.

Will you join us?

### TELL US WHAT YOU DID WITH #iDidSomething

What if everyone did something to support those who need help? Imagine the difference we would make! Support a cause that matters to you through giving at [uweci.org/dosomething](http://uweci.org/dosomething).

Your support is needed in many ways, as volunteers and advocates play a crucial role in supporting our community. To learn more about volunteering and advocating with UWECEI, visit [uweci.org/volunteer](http://uweci.org/volunteer).

Let us know how you volunteered, advocated, or gave by tagging us on social media and using #iDidSomething.
